Alternative Living

We the people
on SLO county, hereby
present our humanitarian
project

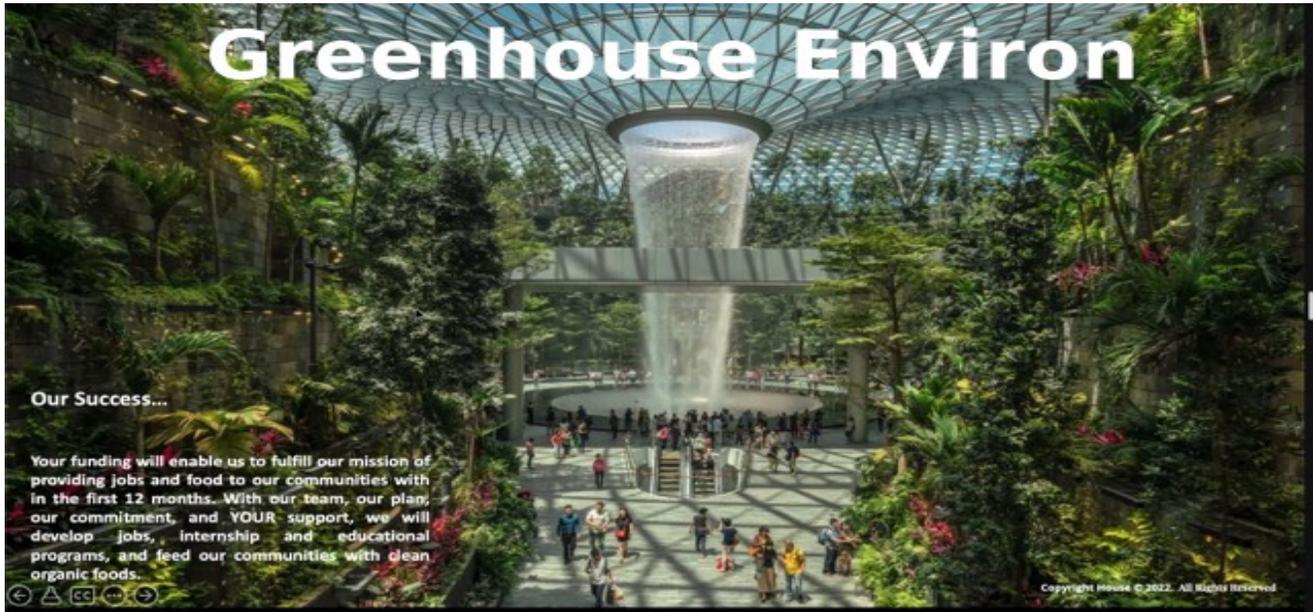

BIODYNAMIC FARMING

The simple answer to what it is & why it matters

Massive permaculture project lifts 2.5 million out of poverty

Greenhouse Environ

Our Success...

Your funding will enable us to fulfill our mission of providing jobs and food to our communities with in the first 12 months. With our team, our plan, our commitment, and YOUR support, we will develop jobs, internship and educational programs, and feed our communities with clean organic foods.
